With The Star and Times Men in Mexico

Every little bit of news of Uncle Sam's men and ships engaged with Mexico will be eagerly sought by you. We are taking this means of bringing to your attention the unapproached facilities of our paper to keep you posted on what transpires. If it occurs at night, The Times will contain a truthful and full account every morning, while the happenings of the day are faithfully related in The Star. This gives opportunity of emphasizing the value of the 24-hours news service rendered every subscriber to The Daily Star, Times and Sunday Star. The Times will print the Associated Press full night reports and The Star the entire day service. This to be supplemented by the work of staff writers and special correspondents located at actual scenes of operations and at all news distributing centers.

One subscription covers both editions (no added charge for the double daily service) and the subscription price of The Star, Times and Sunday Star—12 issues a week—postage prepaid, is \$7.50 a year or 15 cents a week. Address:

Child Cross? Feverish? Sick?

A cross, peevish, listless child, with coated tongue, pale, doesn't sleep; eats sometimes very little, then, again ravenously; stomach sour; breath fetid; pains in stomach, with diarrhea; grinds teeth while asleep, and starts with terror—all suggest a Worm Killer—something that expels worms, and almost every child has them. Kickapoo Worm Killer is needed. Get a box to-day. Start at once. You won't have to coax, as Kickapoo Worm Killer is a candy confection. Expels the worms, the cause of your child's trouble; 25c. at your druggist.—adv.

Deafness Cannot be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

**The Postal Life Insurance Company pays you the Commissions that other Companies pay their agents**

ON entrance into the Company you get the agent's average first-year commission, less the moderate advertising charge. Other companies give this commission money to an agent; the POSTAL gives it to you. That's for the first year; in subsequent years POSTAL policyholders receive the Renewal Commission; other companies pay their agents, namely 7 1/2%, and they also receive an Office-Expense Saving of 2%, making up the

Annual Dividend of 9 1/2% Guaranteed in the Policy

And after the first year the POSTAL pays contingent dividends besides—depending on earnings as in the case of other companies.

Such is the POSTAL way; it is open to you. Call at the Company's offices, it is convenient, or write now and find out the exact sum it will pay you at your age—the first year and every other.
